3. Uses Made of the Information.

- (a) **Limited Uses Identified.** Without customer's prior consent, Teachout Security Solutions will not use your personal identifiable information for any purpose other than that for which it is submitted. Teachout Security Solutions uses personal identifiable information to reply to inquiries, handle complaints, provide operational notices and in program record-keeping. Teachout Security Solutions also processes billing and business requests related to Teachout Security Solutions Web Site participation.
- (b) **Marketing Uses.** Unless customer marks an "x" on the opt-out option box herein provided, Teachout Security Solutions reserves the right to provide customer with information about Teachout Security Solutions' Web site, Teachout Security Solutions products and services, and related information in which the customer has indicated an interest.
- (c) **Stored Information Uses.** Teachout Security Solutions stores and retains the information provided by customer or the information entered on the Teachout Security Solutions Web site. This information is used to compile a customer's purchase history in order to enable Teachout Security Solutions to recommend products, services, or special offers that would be of interest to a customer. Stored information is used by Teachout Security Solutions, and/or Teachout Security Solutions agents, to support customer interaction with the Teachout Security Solutions Web site; to deliver customer purchases; and/or to contact customer again about other Teachout Security Solutions services and products.

- (d) **Online Advertising.** Some companies that help Teachout Security Solutions deliver interactive on-line advertising, such as banner ads, may collect and use information about Teachout Security Solutions's customers to help Teachout Security Solutions better understand the types of advertising or promotions that are most appealing to Teachout Security Solutions's customers. After it is collected the information is aggregated so it is not identifiable to a specific individual. If, however, customer would prefer that these companies not collect such information, please mark an "x" on the opt-out option box herein provided.

4. Disclosure of the Information.

- (a) **Within Corporate Organization.** Teachout Security Solutions is a national organization, with legal entities, business processes, management structures, and technical systems that cross state borders. Teachout Security Solutions may share your personal information within the Teachout Security Solutions corporate organization.
- (b) **Mergers and Acquisitions.** Circumstances may arise where for business reasons, Teachout Security Solutions decides to sell, buy, merge, or otherwise reorganize its businesses in the United States or some other country. Such a transaction may involve the disclosure of personal identifying information to prospective or actual purchasers, and/or receiving such information from sellers. It is Teachout Security Solutions' practice to seek appropriate protection for information in these types of transactions.
- (c) **Agents.** Teachout Security Solutions employs or engages other companies and individuals to perform business functions on behalf of Teachout Security Solutions. These persons are provided with personal identifying information required to perform their functions but are prohibited by contract from using the information for other purposes. These persons engage in a variety of functions which include, but are not limited to, fulfilling orders, delivering packages, removing repetitive information from customer lists, analyzing data, providing marketing assistance, processing credit card payments, and providing customer services.
- (d) **Affiliated Businesses.** Teachout Security Solutions works closely with affiliated businesses operating web site stores, providing services or selling products on each other's Web sites. These businesses identify themselves to customers. Customer information related to a transaction with an affiliated business is shared with that affiliated business.
- (e) **Marketing Analysis by Third Parties.** Teachout Security Solutions reserves the right to disclose to third parties' personal information about customers for marketing analysis; however, any information disclosed will be in the form of aggregate data that does not describe or identify an individual customer.
- (f) **Disclosure to Governmental Authorities.** Under certain circumstances, personal information may be subject to disclosure pursuant to a judicial or other government subpoenas, warrants or orders.

5. Use of Computer Tracking Technologies.

- (a) **No Tracking of Personal Information.** Teachout Security Solutions' Web Site(s) are not set up to track, collect or distribute personal information not entered by visitors. Through web site access logs Teachout Security Solutions does collect clickstream data and HTTP protocol elements, which generate certain kinds of non-identifying site usage data, such as the number of hits and visits to our sites. This information is used for internal purposes by technical support staff for research and development, user analysis and business decision making, all of which provides better services to the public. The statistics garnered, which contain no personal information and cannot be used to gather such information, may also be provided to third parties.
- (b) **Use of Cookies.** Teachout Security Solutions, or its third-party vendors, collects non-identifiable and personal information through the use of various technologies, including "cookies." A cookie is an alphanumeric identifier that a Web site can transfer to customer's hard drive through customer's browser. The cookie is then stored on customer's computer as an anonymous tag that identifies the customer's computer, but not the customer. Cookies may be sent by Teachout Security Solutions or its third-party vendors. Customer can set its browser to notify customer before a cookie is received, giving an opportunity to decide whether to accept the cookie. Customer may also set its browser to turn off cookies; however, some Web sites may not then work properly.
- (c) **Use of Web Beacon Technologies.** Teachout Security Solutions may also use Web beacon or other technologies to better tailor its Web site(s) to provide better customer service. If these technologies are in use, when a visitor accesses these pages of the Web site, a non-identifiable notice of that visit is generated which may be processed by Teachout Security Solutions or by its suppliers. Web beacons usually work in conjunction with cookies. If customer does not want cookie information to be associated with customer's visits to these pages, customer can set its browser to turn off cookies; however, Web beacon and other technologies will still detect visits to these pages, but the notices they generate cannot be associated with other non-identifiable cookie information and are disregarded.
- (d) **Collection of Non-Identifiable Information.** Teachout Security Solutions may collect non-identifiable information from user visits to the Teachout Security Solutions Web site(s) in order to provide better customer service. Examples of such collecting include traffic analysis, such as tracking of the domains from which users visit or tracking numbers of visitors; measuring visitor activity on Teachout Security Solutions Web site(s); Web site and system administration; user analysis; and business decision making. Such information is sometimes known as "clickstream data." Teachout Security Solutions or its contractors may use this data to analyze trends and statistics.
- (e) **Collection of Personal Information.** Teachout Security Solutions collects personal identifying information from customer during a transaction. Teachout Security Solutions may extract some personally identifying information about that transaction in a non-identifiable format and combine it with other non-identifiable information, such as clickstream data. This information is used and analyzed only at an aggregate level (not at an individual level) to help Teachout Security Solutions understand trends and patterns. This information is not reviewed at an individual level.

6. Information Security.

- (a) **Commitment to Online Security.** Teachout Security Solutions employs physical, electronic, and managerial procedures to safeguard the security and integrity of personal information. Billing and payment data is encrypted whenever transmitted or received online. Personal information is accessible only by staff designated to handle online requests or complaints. All Teachout Security Solutions agents and contractors with access to personal information on the Teachout Security Solutions web site(s) are also bound to adhere to Teachout Security Solutions security standards.
- (b) **No Liability for Acts of Third Parties.** Teachout Security Solutions will exercise all reasonable efforts to safeguard the confidentiality of customer personal information. However, transmissions protected by industry standard security technology and implemented by human beings cannot be made absolutely secure. Consequently, Teachout Security Solutions shall not be liable for unauthorized disclosure of personal information due to no fault of Teachout Security Solutions including, but not limited to, errors in transmission and unauthorized acts of Teachout Security Solutions staff and/or third parties.

7. Privacy Policy Changes and Opt-Out Rights.

- (a) **Changes to Privacy Policy.** This privacy notice was last updated on December 16, 2022. Teachout Security Solutions reserves the right to update its privacy policy statement at any time. A notice of such change will be sent via email notification thirty (30) days prior to the implementation of such change.
- (b) **Opt-Out Right.** Customer and/or prospective customer has the right at any time to cease permitting personal information to be collected, used, or disclosed by Teachout Security Solutions and/or by any third parties with whom Teachout Security Solutions has shared and/or transferred such personal information. Right of cancellation may be exercised by contacting Teachout Security Solutions via e-mail at info@teachoutsecurity.com, telephone at (810) 732-4849 or Toll Free: (800) 747-0755, or certified postal mail to 2348 Stone Bridge Drive, Flint, MI 48532. After processing the cancellation, Teachout Security Solutions will delete customer or prospective customer's personal information from its database.

8. Access Rights to Data.

- (a) **Information Maintained by Teachout Security Solutions** Upon customer's request, Teachout Security Solutions will provide a reasonable description of customer's personally identifiable information that Teachout Security Solutions maintains in its data bank. Teachout Security Solutions can be contacted by e-mail at info@teachoutsecurity.com, telephone at (810) 732-4849 or Toll Free: (800) 747-0755, or certified postal mail to 2348 Stone Bridge Drive, Flint, MI 48532.
- (b) **Corrections and Changes to Personal Information.** Help Teachout Security Solutions to keep customer personal information accurate. If customer's personal information changes, or if customer notes an error upon review of customer information that Teachout Security Solutions has on file, please promptly e-mail

Teachout Security Solutions info@teachoutsecurity.com and provide the new or correct information.

- (c) **Your California Privacy Rights.** Beginning on January 1, 2005, California Civil Code Section 1798.83 permits customers of Teachout Security Solutions who are California residents to request certain information regarding Teachout Security Solutions's disclosure of personal information for their direct marketing purposes. To make such a request, please write to Teachout Security Solutions at 2348 Stone Bridge Drive, Flint, MI 48532. Within 30 days of receiving such a request, Teachout Security Solutions will provide a list of the categories of personal information disclosed to third parties for third-party direct marketing purposes during the immediately preceding calendar year, along with the names and addresses of these third parties. This request may be made no more than once per calendar year. Teachout Security Solutions reserves its right not to respond to requests submitted other than to the address specified in this paragraph.

California's privacy laws require a company to provide notice to California users of their rights to receive information on to which entities their information was shared for marketing purposes.

9. Accountability.

- (a) **Questions, Problems and Complaints.** If you have a question about this policy statement, or a complaint about Teachout Security Solutions compliance with this privacy policy, you may contact Teachout Security Solutions by e-mail at info@teachoutsecurity.com.
- (b) **Terms of Use.** If customer chooses to subscribe to Teachout Security Solutions' services, customer's action is hereby deemed acceptance of Teachout Security Solutions practices described in this policy statement. Any dispute over privacy between customer and Teachout Security Solutions is subject to the provisions of this notice and to Teachout Security Solutions' Terms of Use Agreement, which is hereby incorporated herein, and which can be read at <https://teachoutsecurity.com>.
